

ALPHIEN

Address: 6 rue de la Trémoille, 75008, Paris, France

Website: www.alphien.com

Job Title: Marketing Intern

Location: Paris

Job Type: 4 to 6-month internship

Founded in 2018, Alphien (SAS with a capital of 1.75 Mio Euros) bridges the gap between asset managers looking for a strong quantitative exposure, and brilliant minds with knowledge and experience to design investment indices originals. Building on the combined decades of experience of our management team, Alphien disrupts the field of data science applied to finance. We are headquartered in Paris and also have operations in Singapore.

We offer the opportunity to join the Business Development team, which improves the dissemination, image and impact of Alphien on the web and for its growing community.

Mission:

- Supervise the digital marketing strategy to increase Alphien's visibility
- Improve the image of Alphien on the Web (design, message, blog,...)
- Coordinate ideas and tasks between the management and the developer team
- Participate in the preparation of marketing materials for clients

Prerequisites:

- Degree in Marketing, Business or related fields
- Attention to detail and strong personal organizational skills
- Highly motivated, self driven with an entrepreneurial outlook

Conditions:

- Eligible to work in France
- At least 4 months availability
- Potential conversion to CDD or CDI with good performance

Application:

Please send your CV to careers@alphien.com with the subject "Application for Marketing Intern".
