Job Title: Marketing Intern

Location: Singapore

Job Type: 6-month internship, full-time

About Alphien SAS:

Founded in 2018, Alphien (SAS au capital de EUR 1,750,000 RCS Creteil 837 508 902) bridges the gap between asset managers looking for robust quantitative exposure, and bright minds with knowledge and experience to design exciting indexes. Leveraging on the combined decades of our management team's experience, Alphien is disrupting the field of data science applied to finance. We are headquartered in Paris and also have operations in Singapore.

Job Description

- Supervise the digital marketing strategy to increase Alphien's visibility
- Improve the image of Alphien on the Web (design, message, blog,...)
- Coordinate ideas and tasks between the management and the developer team
- Participate in the preparation of marketing materials for clients

Key Responsibilities

- Degree in Marketing, Business or related fields
- Attention to detail and strong personal organizational skills
- Highly motivated, self driven with an entrepreneurial outlook

Requirements

- Eligible to work in Singapore
- At least 6 months availability
- Potential conversion to a permanent role

Application instruction

Please send a copy of your resume and a cover letter to careers@alphien.com with "Application for Marketing Intern Singapore" in the subject.
